THE CROWER EXEMPTED

From the Six Cent Tax On Un-
stemmed Leaf—May Open Way
For First Buyer to Defeat
Payment of Tax.

Washington, July 17.—To dis-
cuss the best means of preventing frauds
in connection with the collection of
internal revenue tax on unstemmed
leaf tobacco because of the provision
included in the tariff bill which ex-
empts the tobacco growers from the
tax, was the object of a conference at
the White House tonight. Besides
the president there were present Sen-
ators Aldrich, Root, Bradley, Repre-
sentatives Payne, James C. Wheeler
and Commissioner of Internal Revenue,
and Attorney General Wickersham.

The house provided that the in-
ternal revenue tax of six cents a
pound levied upon manufacturers for
the sale of leaf tobacco should not
be made applicable to the farmers
who sold unstemmed tobacco of their
own raising. Objection to this would
open the way to fraud and the sen-
ate at Bradley's instigation, adopted

Rain marred the drills somewhat
Sunday, Monday and Tuesday but
even with that, Company K made a
good showing. Tuesday the two regi-
ments were going out on parade when
the recall was sounded. The Cairo
boys then went out on the parade
grounds alone and gave an exhibition
drill, the mud on the ground being
quite deep at the time. Everybody
from Colonel Lang down to the low-
est private was out watching them
and after they finished they were
fondly cheered by their interested
spectators.

At another time Lieutenant Wood
with some of the non-commissioned
officers of the Cairo company were
sent out to drill one of the companies
attending the encampment. Major
Galbraith told that company that they
might be able some day to drill as
well as Company C but they never
would be able to attain the excellence
of drill shown by Company K.

The local company has two of the
best trumpeters in the regiment in
the persons of Ben Hollerby and
Peter Lind. Going from the depot to
the Army they played several
marches. The boys all looked well
and said they had a good time while

ALI DECLARES HE ABDICATED

FORMER SHAH OF PERSIA RE-
FUSES TO RECEIVE DEPUTA-
TION INFORMING HIM OF HIS
DEPOSITION.

Tehran, July 17.—Mohamed Ali,
the deposed shah, who is now in the
Russian summer legation, has de-
clined to receive a deputation to in-
form him of his deposition. Siphohar
and Sardarsad, leaders in the National
alist movement, sent a telegram to
the British and Russian legations notifi-
ing them of the change of sovereigns
and asking that a time be fixed today
when his majesty might receive a
deputation to inform him of the fact.

The ex-shah replied through the
legation saying in effect that he had
abdicated and did not wish to receive
a deputation. Mohamed Ali probably
will depart soon for Russia. It is
believed the queen is desirous of ac-
companying the former shah, taking
with her the crown prince, who is the
newly proclaimed shah.

MRS. SAYLOR IS HELD TO BLAME

BY MRS. MILLER, WIFE OF MAN
WHO MURDERED BANKER
SAYLOR.

ROTHSCHILD'S SAD END

Dr. Menn, of Chicago, Whose Daugh-
ter Was to Marry Baron, Says
She May Never Recover
From Shock.

Chicago, July 17.—Mrs. Cora Mil-
ler, wife of Dr. Wm. Miller, who is
held in Waukegan, Ill., for the murder
of John B. Saylor, banker, arrived
here today from her home in Blair-
sville, Pa. She left in the evening for
Buckley, Ill., where she will consult
with her brother regarding the de-
fense of her husband.

"Mrs. Saylor is responsible for the
death of her husband," said Mrs. Mil-
ler. "If my husband shot Saylor it
was because he was under the spell
of Mrs. Saylor and was compelled to
do it. The whole blame for this
awful affair rests upon Mrs. Saylor.
She took my husband from me, ruined
my home, and ought to be punished
severely."

"We were always happy and Dr.
Miller was a good husband and father
until this woman came into his life.
Then all our happiness was shattered.
I know how she was running after
him and seeking constantly to be in
his company."

"I went to her and on my knelt
knees begged her to let Dr. Miller
alone."

"She only laughed scornfully at my
pleadings. I believe my husband
feared her, and that she was able to
make him do anything she wanted to.
Because of her I was compelled
to leave my husband and return with
my two children to my people in
Blairsville."

Mrs. Miller declares she will stand
by her husband and express con-
fidence that he will be released.

TAFT WILL WIN TARIFF FIGHT

CONFEREES ADMIT DUTY WILL
BE CUT OR ABOLISHED ON
RAW MATERIALS.

FREE OIL AND IRON ORE

With Big Reductions in Duty on
Hides, Coal and Lumber—
Change of Sentiment Seems
to Have Occurred.

Washington, July 1.—President
Taft will win his fight for free or re-
duced rates of duty on raw materials.
Nearly every member of the confer-
ence on the tariff bill conceded this
today. Indications are that when the
new tariff bill becomes a law the
rates on the articles which the presi-
dent desires to come in free will be
from ore, free. Present rate 40
cents a ton.

Oil, free. Now protected by coun-
tervailing duty.
Hides, 7 1/2 per cent ad valorem.
present rate 15 per cent.
Coal, new rate 45 cents a ton,
present rate 67 cents.

Lumber, probably \$1.25 on rough,
with the senate rates on finished.
This would be a material reduction
throughout the lumber schedules.

When the conferees transferred to
the president's shoulders the respon-
sibility of putting the foregoing raw
materials on the free list, it was not
believed that he would meet with
success in bringing about a changed
sentiment in relation to these articles.
For several days, however, the mem-
bers of congress have been going to
the White House and not a few came
away convinced that the president
was right in insisting that all these
articles could stand the lower duty.
It was not believed he would be able
to put hides, lumber or coal on the
free list; but it was acknowledged
that any reduction in the rates of the
pending bill on these articles would
amount to an administration triumph.

FRAYNE WHPS YOUNG CORBETT

CALIFORNIAN KNOCKED OUT
ONE TIME CHAMPION IN 8TH
ROUND OF SCHEDULED 25
ROUND FIGHT.

San Francisco, July 17.—Yon-
Corbett, one-time conquerer of Terry
McGovern, proved an easy victim for
Johnny Frayne, of San Francisco,
who knocked him out today in the
eighth round of a bout scheduled to
last twenty-five rounds. At no time
did Corbett appear to have a chance.

The contest was a tame and uninter-
esting affair up to the time of the
knockout. In the eighth round Frayne
shot out right and left catching Cor-
bett flush on the jaw and the one-
time champion was sent to his
haunches for the count of seven.

He was dazed and webbed about
the ring unsteadily.
Frayne promptly toppled him over
with a powerful right and left to the
jaw.

WYOMING WOULD KICK

Coal at 45 cents per ton, it was de-
clared, would prove satisfactory to ev-
ery section except Wyoming which
fears the industry in that state might
be ruined by cheap Canadian coal, and
the members from that state are pro-
testing against any reduction.

THIEF KILLS DETECTIVES.

Paris, July 17.—Deputy Chief Re-

bly, but the death roll is not known.

WRIGHT MAKES RECORD

Aeroplane Encircled Fort Myer Drill
Ground at Rate of Forty-five
Miles An Hour.

Washington, July 17.—After many
misses, the Wright aeroplane today
successfully navigated the air. Mak-
ing the best record for the Wright
Bros. machine since the accident last
fall, the aeroplane, guided by Orville
Wright and traveling at a speed ap-
proximately forty-five miles an hour
at a height of eight-fifty to ninety feet
remained in the air sixteen and one-
half minutes when the aviator decided
to alight, having encircled the drill
grounds at Fort Myer fifteen and
three quarters times. The descent was
made without difficulty. At all times
the machine was under perfect con-
trol.

and said he would not meet Jeffries.

later in which he said before sailing
for Europe for a short visit about
July 25 he will post a forfeit to meet
Johnson before the club offering the
best inducements.

Legg, of the Minikahda club, Min-
neapolis, won the Trans-Mississippi
Golf championship today, defeating
Bernard G. Guinand, of the Waveland
club, Des Moines, 19 up 8 to play in

years Legg had been runner-up in the

into his own by winning the greatest
golf honors west of the Mississippi

the way and outclassed his opponent
at nearly every stage of the match.

BIG PLANTS IDLE; STRIKERS SULLEN AND THREATENING

Pittsburg, July 17.—Des, its as-
sessment of President F. N. Hoffman,
of the Pressed Steel Car company that
there is no strike, the extra plant
of the company at McKees Rocks re-
mained idle and under a state of
siege today.

With the exception of the office
force and of some two hundred shop
employees, most of them gang foremen
without men, the plant is entirely in
the hands of an armed force of dep-
uty sheriffs, factory police and mount-
ed state constabulary, who preserve
an impenetrable cordon about the
plant and ruthlessly disperse all
groups as soon as they are formed.

The strikers maintain a sullen and
threatening attitude, but save here
and there for trivial disturbances fol-
lowing the arrest of a townsman for
leaving a deputy sheriff, or for not
moving fast enough at the urging of
the constabulary bosses, the day
passed without serious violence.
